CROWN PARTNERS NAMED TO INC. 5000 FOR THIRD CONSECUTIVE YEAR
Recognized as one of the country's fastest-growing companies in 2008

DAYTON, Ohio – August 29, 2008 Crown Partners, LLC, a leading provider of Enterprise Information Management (EIM) Solutions, has been named to *Inc. Magazine's* prestigious Inc. 500 | Inc. 5000 list of the fastest growing companies in America. The Inc. list ranks U.S. privately held businesses by percentage of revenue growth over a trailing 3 year period. This marks the third year that Crown has been named to the prestigious list.

Inc. goes through a rigorous process that ranks companies on the basis of growth from 2004 through 2007. To qualify, companies must be U.S.-based and privately held, independent – not subsidiaries or divisions of other companies – as of December 31, 2007, and have had at least \$200,000 in revenue in 2004, and \$2 million in 2007.

“There are many “1 hit wonders” who make the list as a small company, never to be heard of again. Only the truly best are able to hit the list 3 consecutive years. Our team is proud to again be among those ranks,” notes Richard Hearn, Crown’s Managing Partner.

Crown is only one of only seven U.S. software companies to be named to the prestigious list three years running. Only 173 U.S. companies have made the list for three consecutive years, putting Crown in the top 2% of all the fastest growing companies of the past three years.
